*I pray for all my financial situations, in the name of Jesus.*

**I** declare that I am not bound by the economy of man but that I am under the covering of the economy of God. I say that I have more coming in than I have going out, because the spirit of python is broken off of my affairs forever. Every wicked thing that has come into my dream life to steal my blessings is cursed to the root. My enemies shall not devour me. I will be a bone in the throat of my enemies! I bind the spirit of the thief and say that the pink panther shall steal no more. I bind everything up and off of me that would make me look to the system of the world for provision.

I prophesy a Zadok blessing upon myself and pronounce a benediction of a blessing over my home. The place where I abide is under the anointing of Obed-Edom. I am blessed coming in and going out. Wherever the soles of my feet shall tread, the land is mine! Whatever the palms of my hands touch will be prosperous. As I take my eyes off man and put them on Jesus, the oil of the blessing will drip from the top of my head to the bottom of my feet. The wealth of wicked men has been stored up for me, and I am in a place to receive it. Firstfruit blessings are running me down and taking me over! I will not have to run after a blessing – *I am blessed!* And I will be a blessing!

I will enter into the rest of God, and my enemies will flee. Instead of fighting me, my enemies will send me gifts. No longer shall the enemy hang out in my gates. My doorposts are covered with the blood of Jesus, and healing and protection shall accompany my financial increase. I will receive great increase and enjoy the blessing of it. This is my heritage from God. I will be satisfied ... in the name of Jesus! I am so full of the blessings of God that I cannot help but share them. I am contagiously blessed. The lines of the Spirit have fallen upon me in sweet and agreeable places, and I have obtained my portion. My field is blessed, my house is blessed, and the blessing of my heritage is running through my bloodline like a river.

Out of my belly shall flow rivers of living waters because my belly is not my god. My children's children shall forever drink of these waters because the wells of my blessing run deep and are eternal. The spirit of Achan is broken off my household. Slothfulness and laziness are cut off from my generations. Godly stewardship is my portion. Because I have chosen to obey the commandments of the Lord and remain on His side, the ground shall not open to devour me. One thousand will fall to my left side and ten thousand to my right, but no harm will come nigh my dwelling. I will never covet another man's silver and gold. Evil desires will not be my portion, because I have set my affections on the things of the kingdom and sought Him first. Paying taxes will be a blessing to me and not a curse. The spirit of Caesar shall not rule over my head. I will owe no man anything but to love him. I am a lender and not a borrower. The spirit of interest will not grip my loins. I declare that I am spiritually allergic to interest. Instead of interest sticking to my loins, it will run off of my back like water on a duck. I will be debt free! My mortgage will be paid in full. I prophesy the deeds and titles into my hands. My credit rating will be A1, and my business affairs will prosper. My prosperity will be undergirded in love, and my neighbors will want what I have. The heathen will be jealous of my prosperity because godliness will accompany my contentment. I will not beg, I will not borrow, and I will not covet. I decree that I am saved, sanctified, and satisfied in Jesus' name! *Amen.*
